PULMONARY CONSULTANTS OF SWFL

PATIENT CONSENT TO RECEIVE SMS (TEXT) MESSAGES

Consent to receive Text Messages

By providing your mobile telephone number and agreeing to receive SMS text

Messages, you authorize Pulmonary Consultants of SWFL to send you text messages regarding your healthcare and account with our office.

These messages may include:

Appointment reminders and confirmations

Appointment scheduling and rescheduling notifications

Follow-up communications regarding your care

Prescription and referral notifications

General office announcements and updates

Billing statements and payment notifications

Message and Data Rates:

Message and data rates may apply depending on your mobile carrier and service plan. Message frequency may vary depending on your interactions with our office.

Privacy and Confidentiality:

We take your privacy seriously. Text messages may contain limited personal or healthcare related information. Standard SMS text messaging is not fully secure, and there is a possibility that others with access to your phone may see these messages. Please do not send sensitive medical information through text messaging.

Your Consent Is Voluntary:

Your consent to receive text messages is completely voluntary and is not a condition of receiving medical care or services from our practice. You may choose not to participate in SMS communications and may request other methods of communication.

How to Opt Out:

You may withdraw your consent at any time by replying **STOP** to any text message from our office. You may reply **HELP** for assistance. Once you opt out, you will no longer receive SMS messages unless you provide consent again.

By checking the line below, you acknowledge that you have read and agree to the terms above.
